SUMMARY OF CONTENTS

Military Topographical Study of Northern French Indochina
(Doc No 158687)

This publication is a translation of the Table of Contents for the three volume document, Military Topographical Study of Northern French Indochina, published in Japanese by the Southern Army General Headquarters in May 1944, classified "Secret."

With the exceptions given below, all maps, tables, and charts have been completely annotated in English. In some cases, the accompanying textual data has also been translated. These maps, tables, and charts and their translations are being held in Documents Branch, CIG and can be used at any time by authorized representatives.

The following are entirely or partially omitted from the translated portions of this document:

Volume I: Maps 1: 11-15; 40; 89.
Tables 11; 4.

Volume II: Sketches 152; 154.

Similar data for southern French Indochina and Thailand are now in process in Documents Branch.

EDITOR'S NOTE: Names appearing in capital letters followed by an asterisk are transliterations from the original.
